Hello potential Sponsors:

Want to sponsor an event that will grow your company's brand and network while knowing you are a part of something special?

The 4th annual Chiro Cup hosted by the Georgia Council of Chiropractic to help fight the Opioid Epidemic will be using proceeds to further our marketing and outreach programs aimed at informing medical doctors, legislators and the general public on the impact this epidemic is having in our state and the role Chiropractic plays in prevention through keeping people from needing opioid drugs in the first place. Freedom of choice in healthcare will have huge implications for preventing addiction and improving the health of our communities.

Please consider becoming an event sponsor, sponsoring a team, a hole, or food and beverage for the day. Your support is appreciated in helping us fight this epidemic.

Thank you for helping us make this tournament a yearly highlight to our humanitarian mission. Please share this opportunity with your friends and associates.

Sincerely,

Dr. Wade Port & Team  
Chiro Cup Director
